Greensboro, N.C. – On September 10th, U.S. Representatives **Brad Miller** (NC-13) and **Mel Watt** (NC-12) hosted a military service academy day for middle and high school students at North Carolina A&T State University. Students and counselors were able to hear from representatives from the U.S. Naval Academy; the U.S. Military Academy (West Point); U.S. Air Force Academy; U.S. Coast Guard Academy; and the Merchant Marine Academy.

"Whether students decide to go to one of these fine academies or decide to go to a traditional college and participate in their ROTC program, I want them to have the information they need to help plan their educational paths," Rep. **Miller** said.

Each year, Congressman Miller accepts requests for nominations to each service academy. For students interested in attending a service academy starting in the 2012-2013 academic year, the application deadline for a nomination is November 1, 2011.
